Mechanical Engineers:

M-E Engineers, Inc. is an international engineering firm with offices across the country and around the world. We have been providing quality multi-discipline, engineering consulting services for over thirty years. M-E Engineers is an employee owned firm that offers a progressive work environment with great compensation and benefits packages.

We are currently seeking Mechanical Engineers to work in our Building Commissioning Division out of the corporate headquarters in Denver, CO. This is a great opportunity for engineers who prefer hands-on work with HVAC and Building systems.

Preferred qualifications for this position include:

- 3+ years experience in the design of HVAC systems or Building Commissioning.
- Strong technical abilities and knowledge of building control systems.
- Good organizational skills with Excel, AutoCAD and Revit experience.
- Some physical labor will be required.
- Travel outside of Colorado will be necessary.
- CxA certification is preferred.

Benefits package includes:

- Commensurate pay.
- Medical, dental and vision plans.
- Paid vacation time.
- Bonus pay.
- 401(k) plan with profit sharing.

If you want to be part of a fast-paced and growing company, send resumes to: M-E Engineers, Inc. Attn: Trish Lovato, 10055 W. 43rd Ave., Wheat Ridge, CO 80033 or e-mail: trish.lovato@me-engineers.com.
