Position open: Outside Sales Engineer.

Ace Mechanical Equipment is looking for qualified sales representatives with experience in the HVAC commercial field, to sell applied HVAC equipment. We specialize in custom equipment needing strong interface with mechanical contracting and engineering firms, including water-and ground-source heat pumps, custom air handling units, make-up air equipment, heat recovery systems, medical and process chillers, and fan coil systems. Requires engineering degree or equivalent experience, with at least four years of experience in the HVAC industry. Must have communication and presentation skills. Ace Mechanical Equipment is committed to providing our employees with a positive environment that fosters professional growth. We offer competitive salaries and excellent benefit packages. We are an equal opportunity employer. Please forward resumes to: [Careers@acemechanical.com](mailto:Careers@acemechanical.com).
