

JOB OPENING

Mechanical Engineer

Since MKK was founded, we have benefitted from the skills and commitment of exceptional people. We continue to seek the best talent to consult more, consume less, and build on our story of success as we pursue our vision of high-performance focused on sustainable solutions.

Your own career success with MKK will depend in part upon the knowledge, skills and experience that you possess. However, we also seek certain common traits in our consultants that enable them to thrive.

As engineering consultants, we see our teams as a means not only to solve problems but to provide leadership. At MKK, leadership is not tied to hierarchy or experience- your voice and ideas are valued regardless of your tenure. Your reward for arguing and implementing your ideas is the leader that you become in the process.

We presently have an opportunity available in our Greenwood Village office for an individual who would thrive on the challenges and rewards of contributing to our profitability objectives through the timely engineering, production, and management of projects within fee.

Minimum Requirements:

- Bachelor's degree in Architectural Engineering or Mechanical Engineering from an accredited four-year college or university
- Six years' experience (experience may not be substituted for educational requirement)
- PE strongly preferred
- LEED accreditation preferred
- Valid driver's license required
- Ability to travel unassisted out-of-town and overnight for up to 10% of the time
- Computer skills: Intermediate proficiency in Microsoft Outlook & Excel required; experience using Revit, AutoCAD, Visual, COMCheck, Trace 700, 62MZ Calc, Computafan, eQuest, Techstreet and Bluebeam preferred.
- Demonstrated ability to work both independently and closely with others in a team environment.
- Excellent verbal and written communication skills and demonstrated ability to effectively communicate with individuals in a variety of position levels both inside and outside the organization.

To be considered for this opportunity, please complete our [Application for Employment](#) (indicate **Requisition #201101-001**), **print & sign it**, then send it to us with a cover letter (and your resume if you wish) via one of the methods indicated on the Application form.

If hired, you must be able to provide proof of authorization to work in the U.S.

At MKK, your potential is limited only by your talents and ambitions.

We look for individuals who:

- are passionate and driven by internal motivation to conquer new challenges;
- seek and share knowledge generously;
- are able to establish new relationships and build strong relationships over a period of time;
- are flexible/adaptable to a constantly changing environment;
- are innovative and possess an entrepreneurial attitude;
- are honest, reliable, and fair; and
- have demonstrated a commitment to a high level of customer service.
