2. Seeking one (1) Electrical Engineer with 8+ years of experience to join our team. Applicant must have a 4-year degree, PE license and a valid driver's license. Aerospace, Healthcare, Higher Ed and K-12 experience is a plus.

Shaffer • Baucom Engineering & Consulting (SBEC), an established and respected Lakewood-based engineering firm, located just west of Denver, is always looking for new team members! If you are a hardworking, critical thinker and want to team with people who care about what they do and about each other, find out how SBEC can help you reach your goals. Succeed, professionally and personally, in ways that are important to you.

Our Principals have worked in the Denver area for over 30 years and have a strong return client base. Our firm genuinely values its employees and clients, and our team and disciplines work extremely well together. Employee education, training, mentoring and retention are an important part of SBEC's mission, which allows us to deliver superior client service.

At **Shaffer • Baucom Engineering & Consulting** we work a 4.5 day work week, which allows our employees to enjoy a positive balance between career and family life, and we offer competitive salaries, full major medical, dental and vision, 401(k), and a great working environment! As a team member, you'll receive vacation days and personal holidays to use as you choose. Relax, travel, spend some time with family – it's really up to you.

If you are interested in joining a dynamic team, please send your resume to Ellie Dugle at edugle@sbengr.com
