

2022 ASHRAE Golf Tournament
To benefit ASHRAE Research

The Rocky Mountain ASHRAE Chapter thanks you for your continued support of our Golf Tournament. Over the years this tournament has helped the Scholarship fund become self sustaining to the benefit of many local University Students. Golf tournament proceeds are used by the local Chapter to benefit ASHRAE Research and other Chapter endeavors. Please consider sponsoring a hole and we will display your firm's sign. If your firm is a manufacturer's representative, please ask your manufacturers to also support the tournament.

Monday August 29, 2022

Sign at Tee Box or Green \$ 400.00
